As per the Bangladesh Labour Act, 2006 an employer is required to pay 5% of its net profit to the (1) Worker Participation Fund (2) Worker Welfare Fund and (3) Labour Trust Foundation Fund for further appropriate disbursement to the beneficiaries as defined under the Act. There is significant ambiguity around the inclusion of Bank, Financial Institutions and Insurance Companies within the scope of chapter XV: Workers Profit Participation Fund (WPPF) under the Labour Act 2006 as amended in 2013. As such the bank and financial institution Division, Ministry of Finance Government of the People Republic of Bangladesh vide its letter dated February 14, 2017 requested the Ministry of Labour and Employment not to apply chapter XV: Workers' Profit Participation Fund (WPPF) under the Labour Act 2006 as amended in 2013 for bank and financial institution which was endorsed by the Bangladesh Insurance Association to all insurance companies operating in Bangladesh. On the basis of the facts as stated above the management of the company believes that the possibility of a legal obligation to pay for Workers' Profit Participation Fund is bleak at the present stage. Therefore, in consistent with the widely accepted industry practice no provision for workers participation fund has been made by the company in the reporting period for the WPPF.

However when it will be imposed for the non-life insurance company we shall implement the WPPF fund.
